

PERSONAL RECOMMENDATIONS

Looking for a good book? Fill out this form with your reading preferences and we'll create a personalized reading list for you! The more information you include on this form, the better our response will be. You'll receive your list of 5-10 recommended titles within 14 days of submitting your request. Your information will be kept in a secure database accessible only to library staff involved in creating personal recommendation lists. This information is confidential and will not be shared, unless requested by a law enforcement agency.
