If you have a wireless-enabled Kindle, you can have the eBook delivered automatically to your Kindle. Or, you can download the book to your computer and transfer the eBook via USB (for assistance in downloading and transferring an eBook to your Kindle, visit Kindle Help at <http://tinyurl.com/43gjq8r>).

Note: Due to publisher constraints, some Kindle eBooks cannot be delivered wirelessly, and must be transferred via USB on all Kindle models.

Managing your public library Kindle eBooks

To manage your public library Kindle eBooks, sign into your Kindle Library on Amazon.com. eBooks that you have borrowed from the library will be marked with “public library” by the title.

Clicking on the title will show you additional information, including the date the eBook will expire.

You can also have the title re-sent to your Kindle, download & transfer it via USB, return the eBook early or delete it from your Kindle library.

Kindle eBooks checked out from the library will remain on your Kindle for two weeks. Three days before your eBook is due, you will receive a reminder notice from Amazon. You will also receive an email when the eBook expires.

When an eBook expires, it will remain on your Kindle until you delete it, but you will be unable to open the eBook. Expired eBooks will be marked with “Loan Ended” on your Home screen.

For more help, visit Amazon’s Public Library Books for Kindle page (<http://tinyurl.com/3s7ky57>), email us at yourlibrarian@dubuque.lib.ia.us or call the Reference Desk at (563) 589-4225.

Privacy notice: Kindle books checked out from the library will be tied to your Amazon account, giving Amazon a record of which books you have borrowed. Information gathered by Amazon is not protected by Carnegie-Stout Public Library’s confidentiality policies.
