

Carnegie-Stout Public Library presents:

The 4th Annual

Great Reading Challenge

(The GRC 2019 “Reading A to Z”)

WELCOME!

The RULES and GOALS of GRC 2019:

- 1.) This reading challenge is open to adults 18+.
- 2.) Please sign up at the Reference/Recommendations Desk or on our website: www.dubuque.lib.ia.us
- 3.) Use this log to track your reading for the year.
- 4.) Pick your books based on the categories or find categories to fit the books you were going to read anyway. Do it either way.
- 5.) Read. A lot. Read books in lots of different categories. You can listen to books on audio, read eBooks, read titles in graphic novel format, read middle grade and young adult titles too. Just make sure they are appropriately long, 100+ pages usually. Use your best judgment.
- 6.) Speaking of your good judgment, we will not be picky about rule following. If you believe a certain book fits in a certain category, we will believe you. It is all about the reading, after all.
- 7.) You set your own goals for the GRC and track your own books. Please do make a copy or keep your “books read” listed in a second spot, in case this form gets up and walks away. Goodreads.com is a fun website to keep lists of books as well.

- 8.) Reading goal levels are listed below:

BRONZE LEVEL:	READ 18-29 BOOKS
SILVER LEVEL:	READ 30-49 BOOKS
GOLD LEVEL:	READ 50-79 BOOKS
PLATINUM LEVEL:	READ 80-99 BOOKS
DIAMOND LEVEL:	READ 100+ BOOKS

Awards for reading levels will be determined at the end of 2019.

The deadline to turn in the number of books you have read for the year is Friday, December 27th, 2019.

Contact us at the Recommendations Desk (in person or by phone at 563-589-4225) and tell us your name and the number of books read. We will have a GRC party in January 2020 and any prizes will be awarded/drawn at that time.

We hope you have fun! Happy Reading!
